

ESSER III Application for FIN 160

The American Rescue Plan (ARP) act included money for the Elementary and Secondary School Emergency Relief Fund (ESSER). This third round of stimulus and stabilization funds is known as ESSER III, as the dollars can be used in the same ways as the ESSER funds in both the Coronavirus Aid, Relief and Economic Security (CARES) Act (ESSER I) and the Coronavirus Response and Relief Supplemental Appropriation (CRRSA, ESSER II). There is no nonpublic equitable share connected to either FIN160 or FIN161.

At least 20 percent of the LEA's ESSER III award must be used for activities that address lost learning opportunities. MDE has separated the total ESSER III award into two components to ensure this minimum is met. FIN161 represents 20 percent of the total ESSER III award and must be used only for activities that address the academic impact of lost instructional time. FIN160 is the balance of the award (80 percent) and can be used to support FIN161-specific activities or used for other COVID-19 pandemic response purposes.

The LEA ESSER III funding plan using both FIN160 and FIN161 must address identified needs related to the COVID-19 pandemic and resulting impacts on student experience, access, representation, participation, and outcomes. Review the [ESSER III FIN160 & FIN161 Overview](#) for more information.

To access ESSER III funds, LEAs must:

1. Complete the components of the FIN160 application:
 - a. [Part A: Contact Information](#)
 - b. [Part B: Safe Return to In-Person Learning Plan & Community Engagement](#)
 - c. [Part C: Funding State Education Priorities](#)
 - d. [Part D: Funding Other Local Needs](#)
 - e. [Part E: Award Assurances and Certifications](#)
2. Upload this FIN160 application document to the Grant Management area of SERVS.
3. Sign and submit the application in SERVS.
4. Complete and submit the proposed budget in SERVS. The budget in SERVS must match the plan as outlined in this application.
5. Submit the FIN161 application and budget in SERVS. LEAs are encouraged to use FIN160 to support more robust activities than would be possible if using the required minimum.

Applications are due no later than October 1, 2021. MDE will begin reviewing and approving submitted applications and budgets after June 21, 2021. Reviews can be conducted prior to this date if an LEA has an immediate need and has drawn down 100% of their ESSER I (FIN151) and ESSER II (FIN155 or FIN156) awards. To request immediate review, email MDE.FederalCOVIDFunds@state.mn.us with the request, the reason an immediate review is needed, and how the LEA will conduct meaningful stakeholder engagement in a shorter period of time.

Part B: Safe Return to In-Person Learning Plan & Community Engagement

Section 1: Safe Return to In-Person Learning Plan – Required Public Comment

As a condition of accepting the ESSER III award (FIN160 & FIN161), the LEA must develop, with community input, a Safe Return to In-Person Learning Plan and post it for public comment within 30 days of receiving the ESSER III award. LEAs received the award in SERVS Financial on May 20, 2021, so the deadline for posting the Safe Return to In-Person Learning Plan and related public comment summary is June 19, 2021 (with June 21, 2021 being the next business day).

The Safe Return to In-Person Learning Plan *is not* the plan for spending ESSER III funds. The requirements for the Safe Return to In-Person Learning Plan can be found in the [Interim Final Rule](#) and must describe *how [the LEA] will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC.*

The Safe Return to In-Person Learning Plan must be reviewed regularly, at least every six months, and the LEA must seek additional public comment on revisions. LEAs must retain documentation of the plan development, plan review, public comment, and summary of public comment.

This section is required for all district and charter schools to complete. Note: this requirement applies to both FIN160 and FIN161 and is reported only on this FIN160 application.

Respond to either a or b below.

- a. **If the district or charter school’s most current existing plan** for a safe return to in-person instruction **received public comment before being made publicly available**, provide **the link to that plan** and **a summary of the public comment received**.

<https://www.stpaulcityschool.org/response-protocol>

Updated plan: <https://www.stpaulcityschool.org/return-to-learn-plan>

The public comment focused on family requests for increased transportation as well as flexibility for distance learning options. This was then clarified in our updated plan linked above.

Section 2: ESSER III Spending Plan Community Engagement

All Local Educational Agencies are required to engage with the community, including families, students, and staff, when developing the ESSER III spending plan for FIN160 & FIN161.

This section is required for all district and charter schools to complete.

Please describe:

- a. The **activities or actions** the district or charter school leadership team has taken to engage student, family, staff and community about the use of ESSER III (FIN160, FIN161) funds.

Through a series of planning meetings and department meetings focusing in on our students hit hardest by the pandemic, our school leadership team has worked to create a plan to address learning gaps, address student well-being, and addresses access to education for all students

- 1) School Leadership Team Meetings used to assess need and determine two departments needed further consideration, EL and School Counseling
- 2) Family Team Meetings
- 3) Weekly Response Team meetings through the pandemic
- 4) Monthly open board meetings – all year

While our students with mental health and well being needs required many home visits and community support, our overarching student population needed increased intervention systems in place in order for them to be successful. Our leadership team identified four main priorities: family engagement; robust MTSS staffing for effective intervention response; and student support staffing to address specific needs for academic engagement. Also, transportation and technology needs for students to engage in consistent attendance, as well as access learning remotely when needed.

Overall, the feedback from these activities helped:

- Shape the specifics of our learning recovery plan.
- Helped determine the need for staffing for student mental health family engagement – both of which were struggling areas within our school due to the pandemic.

Section 3: ESSER III Spending Plan Tribal consultation

Local Educational Agencies that were required to complete Tribal Consultation under the ESEA Title programs in SY2020-2021 are required to conduct Tribal Consultation when developing the ESSER III spending plan for FIN160 & FIN161. This section is required only for districts and charter schools that had tribal consultation requirements for Title programs under the Elementary and Secondary Education Act (ESEA) in the 2020-21 school year.

Please describe:

- a. The **activities or actions** the district or charter school leadership team has taken to engage student, family, staff and community about the use of ESSER III (FIN160, FIN161) funds.

- b. The **key findings** of those activities or actions.

n/a

Part C: Funding State Education Priorities

The LEA ESSER III funding plan must address identified needs related to the COVID-19 pandemic and resulting impacts on student experience, access, representation, participation, and outcomes. **LEA ESSER III spending plans that use one or more of the State Education Priorities will receive rapid approval for related allowable activities.** More information about the priorities and their implementation can be found in the [Funding State Education Priorities with ESSER III \(FIN160 & FIN161\)](#) document.

LEAs are encouraged to spend more than the minimum 20 percent (FIN161) for activities that support learning recovery. LEAs are able to use FIN160 funds for FIN161 activities; review the [ESSER III FIN160 & FIN161 Overview](#) for more information.
