

MAP TEST PARENT/GUARDIAN OPT OUT FORM

To opt out of River's Edge Academy MAP Testing, this form must be completed, signed, and turned into the District Assessment Coordinator.

(This form is only applicable for the 20__ to 20__ school year.)

River's Edge Academy administers the NWEA Measures of Academic Progress, or MAP test, to all students each year to track student growth and inform instruction. Students set goals for personal growth and reflect on their growth and scores in Crew and during their Student Led Conferences each year.

You have the choice for your student to opt out of these tests. Students will have an alternative measure of growth that they will reflect on and report on.
